

Oracle VM VirtualBox 5.1.22 Setup

### Out of Disk Space

Disk space required for the installation exceeds available disk space.

The highlighted volumes do not have enough disk space available for the currently selected features. You can either remove some files from the highlighted volumes, or choose to install less features onto local drive(s), or select different destination drive(s).

Volume	Disk Size	Available	Required
 C:	58GB	67MB	70MB
 D:	348GB	154GB	170MB
 Z:	3663GB	1695GB	0KB

Version 5.1.22
